DETAILED ACTION

Specification

The specification amendments filed 12/22/05 has been considered and is hereby entered into the record.

Reasons For Allowance

The following is an examiner's statement of reasons for allowance: prior art could not be located that taught a structure for reinforcing a bond pad comprising an anchor structure disposed horizontally adjacent the bond pad and at least one conductive layer underlying said bond pad, said at least one anchor structure interconnected to the bonding pad and to the at least one underlying conductive layer. These limitations, in conjunction with the other claim limitations, was neither disclosed in, nor suggested by, the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The prior art cited but not relied upon teaches the state of the art.
